Correction:

#### INSTRUCTIONS

1.  If this withdrawal point has not been used during this Crop Season, check the box, sign the form and return it to the Permit Data Section of the Regulation Performance Management Department at the Brooksville office.
2.  If there are multiple meters on this withdrawal, check the box and indicate meter serial number(s) for all meters used on this withdrawal: \_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_.
3. If this withdrawal also irrigates seasonal crops check the appropriate box(es).
  - Winter/Spring Seasonal
  - Summer/Fall Seasonal
4. If a withdrawal irrigates in zones, separate the acreage for each zone and enter each zone individually.
5. Complete at least one separate form for each withdrawal used. If you need additional forms, call the District at 800-423-1476 or 352-796-7211, or TDD only 800-231-6103 and ask for the Permit Data Section or look under Permits and Rules/Water Use Permits/Reporting Forms at the District website, [www.watermatters.org](http://www.watermatters.org).

Zone	Crop Type	Irrigation Method	No. Acres	Dominant NRCS Soil Type
1				
2				
3				
4				
5				
6				
7				

Check the appropriate box

Yes    No

- If you are permitted for crop protection quantities, did you use this withdrawal for that purpose?
- Did you use tailwater recovery water to supplement irrigating the crops listed?
- Did you use this withdrawal for any non-irrigation water use?
