Save Water *Indoors*

Save Water *Indoors*

Tired of pouring water and money down the drain?

Watch the monthly savings add up when you use these easy tips (*savings estimates based on a family of three*).

Save up to...

175
gallons per month

Run your washing machine and dishwasher only when full.

250
gallons per month

Rinse fruit and vegetables in a bowl of water instead of under running water.

675
gallons per month

Turn off the water while brushing your teeth and shaving.

690
gallons per month

Install water-saving showerheads and limit showers to five minutes.

870
gallons per month

Replace older toilets with new low-flow models.
