

Lake Panasoffkee

Lake Panasoffkee Non-WMA

Criteria	FWC/District review	Discussion
Budget Impacts	FWC identified administrative costs which include posting boundaries, brochure publication & facilitation of vehicle parking	FWC will need to install/fence small parking area and walkthrough on Warm Mineral Springs Rd
Adjoining Land Uses	Rural/WMA	
Balancing User Demand	Limited use	Walk in small game only; will not close to other uses during hunts
Internal Infrastructure	Limited road network; no concerns given recommended walk in access	
Access	Walk in only	Walk in at Warm Springs Rd gate/CR-514
Acreage	1,230 acres, two disjunct parcels: northern parcel (584 acres) can be hunted; southern parcel (646 acres) has no acceptable road access to the property	584 acres as small game area would be appropriate
Security	FWC states that on similar sites, law enforcement presence would be adequate	
Resource Management	None identified	
Sustainability	Property and systems can sustain hunting	
FWC's Ability to Manage	FWC indicated they have the necessary resources to cover administrative costs	Due to small size, FWC recommends establishing area as a public small game hunting area with wild hogs & small game legal to take
Regional Demand/Adjacency	Adjacent to current WMA on lake; other tract is isolated	
Duration/Configuration	21 days	7 3-day small game hunts; no quota permit required

Lake Panasoffkee Non-WMA
