Fiscal Year 2023 Cooperative Funding Initiative Upcoming Workshop & Webinar

The Southwest Florida Water Management District (District) will be accepting applications for fiscal year 2023 funding by the District's Governing Board. District staff will host a workshop on **Thursday, August 5, 2021**, from 10 to 11:30 a.m.

At the workshop, District staff will review the application process, discuss program updates, and answer specific project-related questions. While this meeting is typically hosted in Tampa, due to construction at that office, we will host this workshop in Brooksville. An option to participate remotely is provided below, please register in advance to participate remotely.

August 5th 10 a.m.

Brooksville Headquarters
2379 Broad St.
Brooksville, FL 34604

To participate remotely, please register in advance at this Zoom link.

When using the Zoom option, you must register in advance to view and to provide input. Once registered, participants will receive an email with instructions on how to connect to the meeting.

1. If you want to provide public input, you should communicate that during the registration process. A staff member will create a blue card to be used by the Chair to call on you at the appropriate time during the meeting.
2. Please be sure to mute your phone when not providing comment. During the conference call, *6 will mute or unmute your line.

The meeting agenda and meeting materials can be found on the ["Go to District Calendar"](#) link. If you have any questions, please contact the Government Affairs Program Manager for your area.

Application deadline is Friday, October 1, 2021, at 5 p.m.
