The Southwest Florida Water Management District (District) is a government agency that offers a wide variety of opportunities for individuals seeking an internship. The District provides a balanced work-life schedule and professional development. The District has offices in Brooksville, Tampa, Sarasota and Bartow. The District employs a diverse workforce and maintains a supportive and inclusive work culture that fosters success through great teamwork.

About the District
The District's mission is to protect water resources, minimize flood risks and ensure the public's water needs are met. The District's 575 employees help meet this important mission daily, and you could too by joining our team.
