Additional details about the requirements for each security type in the table above are provided in Attachment C: Security Type Purchase and Allocation Guidelines.

VI. RISK AND DIVERSIFICATION:

Assets held shall be diversified to the extent practicable to control the risk of loss resulting from over-concentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which financial instruments are bought and sold. Diversification strategies within the established guidelines shall be reviewed and revised periodically by the Committee.

VII. DERIVATIVES AND REVERSE REPURCHASE AGREEMENTS:

Investment in any derivative products or the use of reverse repurchase agreements is prohibited. A "derivative" is defined as a financial instrument the value of which depends on, or is derived from, the value of one or more underlying assets, indices, or asset values.

VIII. AUTHORIZED INVESTMENT INSTITUTIONS AND DEALERS:

The Division Director (or Designee) shall only purchase securities from financial institutions that are qualified as public depositories by the Chief Financial Officer of the State of Florida or from private securities brokers/dealers designated as "primary dealers" by the Federal Reserve Bank of New York. Qualified public depositories may provide the services of a securities dealer through a Section 20 subsidiary of the financial institution or from direct issuers of commercial paper and bankers' acceptances.

The Investment Manager shall utilize and maintain its own list of approved primary and non-primary dealers.

IX. THIRD-PARTY CUSTODIAL AGREEMENTS:

The Division Director will execute a Third-Party Custodial Safekeeping Agreement with a commercial bank, which is separately chartered by the United States government or the State of Florida. All securities purchased and/or collateral obtained, with the exception of certificates of deposits, by the Division Director or Designee shall be properly designated as an asset of the District and held in safekeeping by the bank and no withdrawal of such securities, in whole or in part, shall be made from safekeeping, except by an authorized Finance Bureau staff member. The Third-Party Custodial Safekeeping Agreement shall include letters of authority from the Division Director, details as to responsibilities of each party, notification of security purchases, sales, delivery, wire transfers, safekeeping, and transaction costs, and procedures in case of wire failure or other unforeseen mishaps, including liability of each party.

The custodian shall accept transaction instructions only from those persons who have been duly authorized by the District and which authorization has been provided, in writing, to the custodian. No withdrawal of securities, in whole or in part, shall be made from safekeeping, unless by such a duly authorized person.
