Welcome to My ePermitting!

The Southwest Florida Water Management District's online permitting system, known as ePermitting, is a great resource for fast access to permit information. The majority of the District's permits are submitted online using ePermitting. It's **fast**, **easy** and **saves resources** 🌿

Environmental Resource Permits (ERP) Pre-Application Meeting Request

An ERP Pre-Application Meeting Request Form must be filled out for each project to be discussed. There will be no more than two projects scheduled per hour. Each project will be assigned a pre-application number.

Please note: This form is for only ERP Pre-Application Meeting Requests. If you would like a pre-application meeting for a Water Use Permit, call the Tampa Service Office at (813) 985-7481 and ask for April Breton at ext. 2049 or Owen Thornberry at ext. 6549.
