TIDAL
TRIBUTARY
PILOT STUDY
PUBLIC MEETING

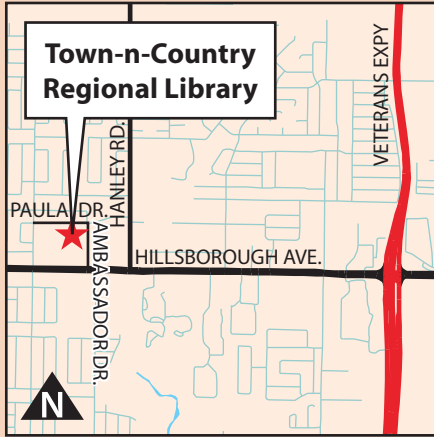

The Tampa Bay Estuary Program and the Southwest Florida Water Management District are studying how tides affect the habitats of the creeks and canals in your community. You are invited to a public meeting to learn more about this pilot study and how it will affect the operations of the water control structures on these waterways.

Date: Wednesday, Jan. 22, 2014

Time: 6 – 7:30 p.m.

**Location: Town-n-Country
Regional Library
7606 Paula Dr.
Tampa, FL 33616**

For additional information, contact Ed Sherwood at the Tampa Bay Estuary Program, (727) 893-2765, or Nancy Norton at the District's Tampa Service Office, (813) 985-7481, ext. 2203.
