DESCRIPTION OF INTENDED SOLE/SINGLE SOURCE PURCHASE

This description of commodities or contractual services intended for purchase from a sole/single source is posted in accordance with section 287.057(3) Florida Statutes and will remain posted for a period of 15 business days.

Date posted: 05/22/2025

Deadline for submission: 06/09/2025

Sole/Single Source Posting Number:
SSP 25-4816

Services/Commodity Description:

The Southwest Florida Water Management is seeking to purchase Real Time Flooding Forecasting (RTFF) Software as a Service (SaaS) that can interface with an existing model that was developed using ICPR (Stormwise) software. This purchase is specific to the Flint Creek Project.

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services as described Chamanda Burris, Procurement Supervisor, at procurement@watermatters.org. If it is determined in writing by the District, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the District shall provide notice of its intended decision to enter into a sole/single source purchase contract in accordance with section 120.57(3), Florida Statutes.

Sincerely,

Chamanda Burris
