DESCRIPTION OF INTENDED SINGLE SOURCE PURCHASE

This description of commodities or contractual services intended for purchase from a sole/single source is posted in accordance with section 287.057(3) Florida Statutes and will remain posted for a period of 15 business days.

Date Posted: 11/06/2026

Deadline for Submission: 12/01/2026

Single Source Posting Number: SSP 26-5187

Services/Commodity Description:
Manufacturer and integrator capable of providing a fully integrated system that includes function and compatibility requirements for an unmanned aerial system (UAS) aerial ignition package as follows:

IGNIS III Mini Payload, IGNIS III Mini Drone Kit, IGNIS III Mini Camera, Dragon Mini Eggs Box of 1k

- Mechanical and electrical integration of IGNIS III with the Astro aircraft
- Integration of an ADS-B receiver using a proprietary Drone Amplified MAVLink router board required for proper system communication and compatibility
- Full integration of DA-Flight mission software for aircraft control, ignition planning, geofencing, and flight logging
- Integration of the Gremsy Lynx payload with system-level testing and validation
- Supply of SEI Dragon Mini-Eggs (19mm spheres), the ignition consumable used by IGNIS III
- Complete system configuration, testing, and manufacturer support

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services as described to Rachelle Jones, Procurement Specialist, at procurement@watermatters.org. If it is determined in writing by the District, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the District shall provide notice of its intended decision to enter into a sole/single source purchase contract in accordance with section 120.57(3), Florida Statutes.

Sincerely,

Rachelle Jones
