

# 7 Tips to Enjoy Three Sisters Springs Responsibly

[WaterMatters.org/ProtectTSS](http://WaterMatters.org/ProtectTSS)

**1. Stay in the water or paddle craft and keep off the rocks and shoreline.**

**2. Keep paddle craft away from rocks, trees and other vegetation.**

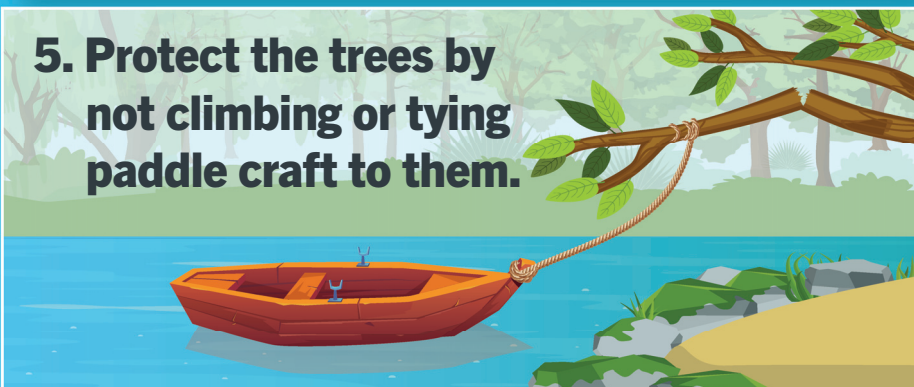

**3. Tie off paddle craft in designated area outside of spring or use a vegetation-friendly anchor.**

**4. Avoid trampling vegetation or kicking up silt.**

**5. Protect the trees by not climbing or tying paddle craft to them.**

**6. Use reusable containers. Disposable items and alcohol are prohibited within the springs.**

**7. Dispose of trash properly and leave nothing behind.**
