**RFB 2015  
SARASOTA SERVICE OFFICE GLASS REPLACEMENT – BUILDING 1**

**ADDENDUM #1  
(Acknowledgment is Required)**

The Consultant must acknowledge the receipt of this Addendum by signing below and including a signed copy of this Addendum with its Bid Response.

Please note that underlined information (*example*) is added wording and stricken information (~~*example*~~) is deleted wording.

Please note the following addition to Section 3.4 **Execution of Work**, of the above referenced solicitation:

3.4.7 After removing the window on the east elevation where the new double door will be installed, the Contractor is to sawcut and remove the masonry knee wall and sill to accommodate the new door and sidelight jambs. After the removal of the existing door on the lobby north elevation, the Contractor is to sawcut and remove the remaining masonry knee wall and sill to accommodate the new window system. Protect the interior space with a dust barrier. The interior finishes required in this area only, due to removal of the knee wall, will be completed by the District.
