## Eligibility and Effective Date Provisions

### Eligible Employee

If you are working on a full-time basis for the employer, you are eligible for insurance after completion of the required waiting period, provided you are in a class of employees who are included.

### Employee Eligibility Date

If you are working for your employer in an eligible class, the date you are eligible for coverage is the latest of the following dates:

1. the policy effective date;
2. the day after you complete any waiting period shown in the Schedule of Insurance by continuous service with the employer, the policyholder, or an associated company;
3. the date the policy is changed to include your class; or
4. the date you become a member of a class eligible for insurance.

If you do not apply for voluntary coverage when you are first eligible, you will again be eligible on the first Annual Enrollment Date as shown in the Schedule of Insurance which immediately follows the date noted in items 2, 3, or 4 above.

**Rehires:** If you were insured under this policy and your insurance terminated due to termination of employment or eligibility, and you again become an eligible employee within 12 months, there is no waiting period.

### Effective Date of Employee Insurance

You must use forms approved by us when applying for insurance.

#### For Benefit Amounts Not Requiring Evidence of Insurability:

1. When your Employer pays 100% of the cost of your coverage under the policy, you will be covered at 12:01 a.m. at your employer's address on your eligibility date.
2. When you and your Employer share the cost of your coverage under the policy or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. at your employer's address on the latest of the following dates:
  - a. on your eligibility date, if you enroll for insurance within 31 days after the date you first become eligible for coverage; or
  - b. on the first day of the policy month following the date we approve your application if you do not apply for insurance within 31 days after your eligibility date; or
  - c. for voluntary coverage only, on the Annual Enrollment Date as shown in the Schedule of Insurance if you enroll during the annual enrollment period. If you do not apply for voluntary coverage during the first annual enrollment period following your eligibility date, you will be required to submit satisfactory evidence of insurability.

For Benefit Amounts Requiring Satisfactory Evidence of Insurability, your coverage will be effective on the first day of the policy month following the date we approve your application.

### Delayed Effective Date

If you are not actively at work on the date your insurance or any increase in insurance is scheduled to take effect, it will take effect on the day you return to active work. If your insurance is scheduled to take effect on a non-working day, your active work status will be based on the last working day before the scheduled effective date of your insurance.

## **Dependent Eligibility**

Dependents are eligible for insurance on the latest of the following dates:

1. the date you become eligible for dependent insurance;
2. the date a person becomes a dependent; or
3. the date the policy is amended to include your class as being eligible for dependent insurance.

If you do not apply for voluntary dependent coverage when you are first eligible, you will again be eligible on the first Annual Enrollment Date as shown in the Schedule of Insurance which immediately follows the date noted in items 1, 2, or 3 above.

Your spouse or child will not be eligible for dependent insurance if either is insured under the policy as an employee.

If both you and your spouse are insured as employees, your eligible children may be insured as dependents of only one of you.

## **Effective Date of Dependent Insurance**

You must use forms approved by us when applying for dependent insurance.

Dependents will not be insured until you are insured.

### For Benefit Amounts Not Requiring Evidence of Insurability:

1. When your Employer pays 100% of the cost of your dependent coverage under the policy, your dependents will be covered at 12:01 a.m. at your employer's address on your dependent's eligibility date.
2. When you and your Employer share the cost of your dependent coverage under the policy or when you pay 100% of the cost yourself, your dependents will be covered at 12:01 a.m. at your employer's address on the latest of the following dates:
  - a. on your dependent's eligibility date, if you enroll for dependent coverage within 31 days after the date your dependent first becomes eligible for coverage; or
  - b. on the first day of the policy month following the date we approve your application for dependent coverage if you do not apply for dependent coverage within 31 days after your dependent's eligibility date; or
  - c. for voluntary coverage only, on the Annual Enrollment Date as shown in the Schedule of Insurance if you enroll during the annual enrollment period. If you do not apply for voluntary dependent coverage during the first annual enrollment period following your dependent's eligibility date, you will be required to submit satisfactory evidence of insurability.

For Benefit Amounts Requiring Satisfactory Evidence of Insurability, your dependent's coverage will be effective on the first day of the policy month following the date we approve your application for dependent coverage.

You must furnish satisfactory evidence of the dependent's insurability at your own expense if you have previously terminated dependent coverage while in an eligible class.

## **Delayed Effective Date**

Coverage for a dependent, other than a newborn child, who is confined in a hospital on the day dependent insurance or an increase in insurance is scheduled to take effect will not become effective until the 10th day following final discharge from the hospital.

## **Newborn Child Coverage (including children placed for adoption)**

This section applies to the Voluntary Accidental Death & Dismemberment Benefit only.

Any child of yours born while this benefit is in force will be immediately covered as a dependent from the moment of birth for 90 days. Any newly adopted child or child placed for adoption will be immediately covered from the moment of placement for 90 days. In order for coverage to continue beyond 90 days we must receive: (1) written notice of the birth of the newborn child or the date of placement for adoption; and (2) payment of any required additional premium within 31 days of our notifying the policyholder of the amount. Additional premium, if any, will begin on the premium due date following the child's date of birth or date of placement, if later.

Written notice should include the child's name, date of birth, and, if applicable, date placed for adoption. We must receive this notice by the end of the 90-day period following the date of birth or adoption placement. Notice is NOT required if you are already paying the premium for children's coverage.

If the required written notice is not received by us during the 90-day period, a newborn child or child placed for adoption may be covered after this date only if the following conditions are met: (1) your written application for coverage is approved by us; and (2) the payment of any required premium is made.

## **Changes in Coverage Provisions**

### **When Coverage Amounts Change (Redetermination Date)**

The policy redetermines your amount of insurance on the first day of the policy month after a change occurs. If benefits are based on your salary, the policyholder must report updates to all covered person's earnings as they occur. Changes to a covered person's earnings are subject to any proof of insurability requirements of the policy. As of the policy's redetermination date, we use a covered person's salary or earnings on record with us to: (a) set rates; (b) set benefit amounts and limits; and (c) calculate premium payable under the policy.

### **Delayed Effective Date of Change**

You must be actively at work on a full-time basis on the redetermination date. If you are not, your coverage amount will not change until the date you return to active work on a full-time basis. Changes in salary or earnings will not apply to a recurring disability.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

### **Changes to the Policy**

Any increase or decrease in coverage because of a change in the plan of insurance will become effective on the date of the change. The Delayed Effective Date provision will apply to an increase.

## Termination Provisions

### Termination of Employee Insurance

Your insurance will terminate at 12:00 midnight on the earliest of the following dates:

1. the last day of the period for which a premium payment is made, if the next payment is not made;
2. the date the policy terminates, or the date a specified benefit terminates;
3. the date you cease to be a member of a class eligible for insurance;
4. the date you cease to be actively at work;
5. if your coverage is continued under the Waiver of Premium provision, the date specified under "Termination of the Extended Insurance Benefit."

### Continuation of Insurance

If you are unable to perform active work for a reason shown below, the policyholder may continue your insurance, except for any Accidental Death and Dismemberment coverage, on a premium-paying basis provided you remain in other respects a member of an eligible class. The continuance cannot be more than the maximum continuance shown below. The employer must act so as not to discriminate unfairly among employees in similar situations.

The maximum continuance for insurance is the longest applicable period described below:

1. three months following the date active work stopped due to lay-off or approved leave of absence, or
2. twelve months following the date active work stopped due to your total disability.

**Total Disability for Continuation of Insurance** means that you are under the regular care of a physician, and prevented by injury or sickness from performing all of the material duties of your regular occupation.

### Termination of Dependent Insurance

Insurance on a dependent will terminate at 12:00 midnight on the earliest of the following dates:

1. the date he ceases to be a dependent as defined in the Definitions section;
2. the date you cease to be an employee or a member of a class eligible for dependent insurance;
3. the last day of the period for which a required dependent premium payment is made, if the next payment is not made; or
4. the date the policy terminates, or a specific benefit terminates.

### Continuation of Insurance for a Handicapped Dependent Child

If an unmarried dependent child is not capable of self-sustaining employment due to mental or physical handicap, his insurance will not terminate at age 30. The insurance will continue as long as the child remains handicapped, unless coverage terminates as described in the Termination of Dependent Insurance section, if you give us proof that the child is:

1. incapable of self-sustaining employment; and
2. chiefly dependent on you for support and maintenance.

To keep this coverage in force, we may require proof at our expense of the child's incapacity and dependence. We may require proof from time to time, but not more than once a year after the two years that follow the date the child reaches age 30.

## **Claim Provisions**

### **Notice of Loss**

Written notice of claim must be given to us at our Home Office within 30 days after a loss occurs or begins, or as soon after the loss as is reasonably possible to do so, but not later than one (1) year from the time notice is required. The notice should identify the covered person and the nature of the loss.

Within 15 days after the date of your notice, we will send you claim forms. The forms must be completed and sent to our Home Office. If you do not receive the claim forms within 15 days, we will accept a written description of the exact nature and extent of the loss.

### **Proof of Loss**

For any loss for which the policy provides periodic payment contingent upon continuing loss, written proof of loss must be given to us within 90 days after the termination of the period for which we are liable. For any other loss covered by the policy, written proof of loss must be given to us within 90 days after the date of such loss. Failure to furnish proof within such time shall not invalidate nor reduce any claim if it was not reasonably possible to furnish proof within such time. Such proof must be furnished as soon as reasonably possible, and in no event, except in the absence of legal capacity of the claimant, later than one (1) year from the time proof was otherwise required.

### **Physical Examination and Autopsy**

We have the right to have a physician of our choice examine the covered person as often as necessary while the claim is pending. We may also have an autopsy made in case of death, unless not allowed by law. We will pay the cost of the exam and autopsy.

### **Payment of Claims**

Benefits for any loss covered by the policy will be payable immediately upon receipt of due written proof of loss. If a claim or a portion of a claim requires additional investigation or is denied, we will advise the claimant in writing no later than 45 calendar days following receipt of due written proof of such loss. Such notification will state the reasons we are not paying the claim, either in whole or in part. This notice will include a written itemization of any documents or other information needed to process the unpaid portion of the claim. Life claims are incontestable beginning two years after the effective date of the life coverage, except for non-payment of premium.

If we dispute a portion of the claim, any undisputed portion will be paid within 60 days of receipt of due written proof of loss. When all of the required documents or other information has been received, we shall have 120 days from the date we first receive your claim, within which to process the claim, and either mail payment for the claim or a letter denying it. (See "Review Procedure" provision.) Payment will be considered made on the date we deposit the notice of the claims processing decision in the United States mail in a properly addressed, postpaid envelope, or on the date of delivery, if not so posted.

If included, Dependent Life and Dismemberment benefits will be paid to you. Accidental Death benefits will be paid to the person(s) named by you to receive them.

If you failed to name a beneficiary or if no named beneficiary is living at your death, refer to the "Beneficiary" provision below.

At our option, up to the maximum allowable by the state laws of the covered person's state of residence may be paid to any person who incurred funeral or other expenses related to the last illness or death of the covered person.

### **Beneficiary**

Your beneficiary will be the person(s) you name in writing to receive any amount of insurance payable due to your death. The beneficiary's name is on record in our Home Office, or in the policyholder's office if the group is self-administered. You are the beneficiary of the Dependent Life Insurance if you are living. If you and your dependent die in the same accident, the dependent benefit will be paid to your estate.

You may name or change a beneficiary by giving us written notice at our Home Office (or by giving the policyholder written notice if the group is self-administered) on a form acceptable to us. When we receive the notice, it will be effective on the date made, subject to any payment we may have made before we receive it.

If there is no named beneficiary living at your death, we may pay, at our discretion, any amount due to one of the following classes of survivors: (1) your spouse; (2) your surviving children in equal shares; (3) your mother and/or father; (4) your brother and/or sister; or (5) your estate.

### **Assignment**

You may transfer your rights to name or change the beneficiary to someone else by assignment. An assignment will affect us only if it is in writing on a form acceptable to us, and is received at our Home Office. When we record it, the assignment will take effect as of the date you made it. The assignment will be subject to any action we may have taken before we record it. We take no responsibility for the validity of any assignment.

Claims of Creditors: To the extent allowed by law, proceeds will not be subject to any claims of a beneficiary's creditors.

### **Authority**

The policyholder delegates to us and agrees that we have the sole discretionary authority to determine eligibility for participation or benefits and to interpret the terms of the policy.

We decide: (a) if a covered person is eligible for this insurance; (b) if a covered person meets the requirements for benefits to be paid; and (c) what benefits are to be paid by the policy. We also interpret how the policy is to be administered. What we pay and the terms for payment are explained in this certificate.

### **Limit on Legal Action**

No action at law or in equity may be brought against the policy until at least 60 days after you file written proof of loss. No action can be brought after the expiration of the applicable statute of limitations from the time written proof of loss is required to be given.

### **Review Procedure**

You must request, in writing, a review of a denial of your claim within 180 days after you receive notice of denial.

You have the right to review, upon request and free of charge, copies of all documents, records, and other information relevant to your claim for benefits, and you may submit written comments, documents, records and other information relating to your claim for benefits.

We will review your claim after receiving your request and send you a notice of our decision within 45 days after we receive your request, or within 90 days if special circumstances require

an extension. We will state the reasons for our decision and refer you to the relevant provisions of the policy. We will also advise you of your further appeal rights, if any.

### **Subrogation and Right of Reimbursement**

The plan assumes and is subrogated to your legal rights to recover any payments the plan makes for benefits, when a covered sickness or injury resulted from the action or fault of a third party. The plan's subrogation rights include the right to recover the amount of benefits paid to you.

The plan has the right to recover any and all amounts equal to the plan's payments from:

1. the insurance of the injured party;
2. the person, company (or combination thereof) that caused the sickness or injury, or any insurance company; or
3. any other source, including disability benefit coverage.

This right of recovery under this provision will apply whether recovery was obtained by suit, settlement, mediation, arbitration, or otherwise. The plan's recovery will not be reduced by your negligence, nor by attorney fees and costs you incur.

### Priority Right of Reimbursement

Separate and apart from the plan's right of subrogation, the plan shall have first lien and right to reimbursement. This priority right of reimbursement supersedes your right to be made whole from any recovery, whether full or partial. You agree to reimburse the plan 100% first for any and all benefits provided through the plan, and for any costs of recovering such amounts from those third parties from any and all amounts recovered through:

1. any settlement, mediation, arbitration, judgment, suit, or otherwise, or settlement from your own insurance and/or from the third party (or their insurance);
2. any auto or recreational vehicle insurance coverage or benefits including, but not limited to disability benefit coverage; and
3. business and homeowner disability insurance coverage or payments.

The plan may notify those parties of its lien and right to reimbursement without notice to or consent from any covered person.

This priority right of reimbursement will not be reduced by attorney fees and costs you incur.

The plan may enforce its rights of subrogation and recovery against, without limitation, any tortfeasors, other responsible third parties or against available disability insurance coverages. Such actions may be based in tort, contract or other cause of action to the fullest extent permitted by law.

### Notice and Cooperation

You are required to notify us promptly if you are involved in an incident that gives rise to such subrogation rights and/or priority right of reimbursement, to enable us to protect the plan's rights under this section. You are also required to cooperate with us and to execute any documents that we, acting on behalf of the policyholder, deem necessary to protect the plan's rights under this section.

You shall not do anything to hinder, delay, impede or jeopardize the plan's subrogation rights and/or priority right of reimbursement. Failure to cooperate or to comply with this provision shall entitle the plan to withhold any and all benefits due you under the plan. This is in addition to any and all other rights that the plan has pursuant to the provisions of the plan's subrogation rights and/or priority right of reimbursement.

If the plan has to file suit, or otherwise litigate to enforce its subrogation rights and/or priority right of reimbursement, you are responsible for paying any and all costs, including attorneys' fees, the plan incurs in addition to the amounts recovered through the subrogation rights and/or priority right of reimbursement.

#### Legal Action and Costs

If a covered person settles any claim or action against any third party, that covered person shall be deemed to have been made whole by the settlement and the plan shall be entitled to collect the present value of its rights as the first priority claim from the settlement fund immediately. The covered person shall hold any such proceeds of settlement or judgment in trust for the benefit of the plan. The plan shall also be entitled to recover reasonable attorneys' fees incurred in collecting proceeds held by the covered person in such circumstances.

Additionally, the plan has the right to sue on the covered person's behalf, against any person or entity considered responsible for any condition resulting in benefits paid or to be paid by the plan.

#### Settlement or Other Compromise

The covered person must notify the plan prior to settlement, resolution, court approval, or anything that may hinder, delay, impede or jeopardize the plan's rights so that the plan may be present and protect its subrogation rights and/or priority right of reimbursement.

The plan's subrogation rights and priority right of reimbursement attach to any funds held, and do not create personal liability against the covered person.

The right of subrogation and the right of reimbursement are based on the plan language in effect at the time of judgment, payment, or settlement.

The plan, or its representative, may enforce the subrogation and priority right of reimbursement.

#### **Alternate Dispute Resolution Procedures**

This dispute resolution procedure ("procedure") is intended to provide a fair, quick and inexpensive method of resolving any and all disputes with us. Such disputes include any matters that cause you to be dissatisfied with any aspect of your relationship with us, including any claim, controversy, or potential cause of action you may have against us. Please contact the Dispute Resolution office at 1-800-333-3256 if you have any questions about this section of the certificate or to begin the dispute resolution process.

The following terms are applicable to all disputes:

1. This procedure is the exclusive method of resolving any disputes.
2. The procedure can only resolve disputes that are subject to our control.
3. This procedure will be governed by the Employee Retirement Income Security Act of 1974 ("ERISA"); Rules and Regulations for Administration and Enforcement; Claims Procedure (the "Claims Regulation"). That includes the definition of an adverse benefit determination, which is defined as any denial, reduction, termination or failure to provide or make payment for what you believe should be a covered benefit.
4. You may request a form from our Dispute Resolution office to authorize another person to act on your behalf concerning a dispute.
5. We may elect to skip one or more of the steps of this procedure if it is determined that step will not help to resolve the dispute.
6. Any dispute will be resolved in accordance with the terms of this certificate, applicable state or Federal laws and regulations.

7. You must begin the dispute process within 180 days from the date you receive notice of an adverse benefit determination. If you do not initiate the dispute process within that 180 day period, you give up the right to take any action based on that Dispute.

## **Description of the Procedure**

### Inquiry

You should contact our Dispute Resolution office to discuss and attempt to resolve any issues regarding a dispute. We hope that this informal process will resolve your questions or concerns.

### Appeals

If you are not satisfied with the response to your inquiry, you may submit a written request (an "appeal") to the Office of the Appeals Coordinator, Florida Combined Life, P.O. Box 1650, Little Rock, AR 72203-1650, asking that we reconsider an adverse benefit determination. Please contact the Dispute Resolution office if you have any questions about how to submit an appeal to us. You are not required to use a specific form, but you may request that the Dispute Resolution office send you a blank appeal form to ensure that you provide the information that will be needed to review your appeal.

We will assign a coordinator to review your appeal. The appeal coordinator is an individual with appropriate expertise who is neither the individual who made the adverse benefit determination, nor a subordinate of that individual.

The appeal coordinator may request that you submit additional information concerning your grievance. The appeal coordinator will also consider information submitted by others, including information requested from other Florida Combined Life representatives. The appeal coordinator will have full discretionary authority to make eligibility, benefit or claim determinations and construe the terms of the policy. Such determinations shall be subject to the review standards applicable to ERISA plans, even if the policy is not governed by ERISA.

We will make a decision within 60 days after receiving your appeal concerning a claim determination.

The appeal coordinator will send you a written decision concerning your appeal. The appeal coordinator's decision will include: a statement of the coordinator's understanding of your appeal; a statement explaining the basis of the decision; and a list of the documents or information upon which that decision was based. We will send you a copy of the listed documents, without charge, if you make a written request for such documents.

## **Post Appeal Procedure**

If you are still not satisfied after completing the appeal procedure, you have the right to bring a civil action against us to obtain the remedies available pursuant to Sec. 502(a) of ERISA (an "ERISA Action") after completing the mandatory appeal process. Those ERISA remedies will apply to this policy even if your plan is not otherwise governed by ERISA. If both parties agree to voluntary, non-binding arbitration of a dispute, we agree to suspend (or toll) any time periods affecting your right to bring an ERISA Action against us related to that dispute, until the arbitration has been completed.

You may request that the dispute be submitted for resolution by arbitration. That arbitration request must be submitted, in writing, to Florida Combined Life's General Counsel within sixty (60) days after you receive the appeal coordinator's decision.

The dispute will be submitted to arbitration in accordance with the rules of the American Arbitration Association, unless we both agree to use an alternative dispute resolution administrator or procedure. The arbitration will be conducted before a single arbitrator.

We will pay the filing fee charged by the administrator and the arbitrator. You will be solely responsible for any other costs that you incur to participate in the arbitration process, including your attorney's fees. The filing fee and arbitrator's fees may be reallocated as part of an arbitration award, in whole or in part, at the discretion of the arbitrator.

The arbitration will be conducted in the jurisdiction of your residence and at a location where it is reasonably convenient for you to participate. If we cannot agree concerning a convenient location, the administrator or arbitrator, if appointed, shall have the discretion to decide where the arbitration will be conducted.

The arbitrator: (a) shall consider the dispute individually and shall not certify or consider multiple disputes as part of a class action; (b) shall be required to issue a reasoned written decision explaining the basis of his or her decision and the manner of calculating any award; (c) shall limit his or her decision to deciding if our adverse benefit decision was arbitrary or capricious based on ERISA standards; (d) may not award punitive, extra-contractual, treble or exemplary damages unless permitted to do so by applicable statutes or regulations; (e) may not vary or disregard the terms of the policy; and (f) shall be bound by controlling law; when issuing a decision concerning the dispute.

The arbitrator shall limit discovery to the extent possible consistent with the objective of completing the arbitration in a fair, prompt, and cost effective manner. Emergency relief such as injunctive relief may be awarded by the arbitrator.

## **General Provisions**

### **Entire Contract**

This certificate is furnished in accordance with and subject to the terms of the policy. The entire contract consists of the policy, which includes the application, any amendments and addenda; this certificate; your enrollment form, if required; and any riders or endorsements. No change in the policy will be effective until approved by one of our officers. This approval can only be in writing and must be noted on or attached to the policy. No agent has authority to change the policy or certificate or to waive any of their provisions.

Any statement made by you or the policyholder is considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to you.

### **Errors**

An error in keeping records will not cancel insurance that should continue nor continue insurance that should end. We will adjust the premium, if necessary. If the premium was overpaid, we will refund the difference. If the premium was underpaid, the difference must be paid to us.

### **Misstatements**

If any information about you or the policyholder's plan is misstated or altered after the application is submitted, including information with respect to participation or who pays the premium and under what circumstances, the facts will determine whether insurance is in effect and in what amount. We will retroactively adjust the premium.

### **Incontestability**

Unless the premiums have not been paid, the validity of the policy cannot be contested after it has been in force for two years.

Any statement made by the policyholder or a covered person will be considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to the covered person or the beneficiary.

No statement made by a covered person about insurability will be used to deny a claim for a loss incurred or disability starting after coverage has been in effect for two years.

No claim for loss starting two or more years after the covered person's effective date may be reduced or denied because a disease or physical condition existed before the person's effective date, unless the condition was specifically excluded by a provision in effect on the date of loss.

### **Agency**

Neither the policyholder, any employer, any associated company, nor any administrator appointed by the foregoing is our agent. We are not liable for any of their acts or omissions.

### **Unpaid Premium**

We may deduct any unpaid premium then due from the payment of a claim under this certificate.

## **Refund of Premium**

On the death of the covered person, proceeds payable hereunder shall include the amount of unearned premium paid beyond the end of the policy month in which death occurred. Payment shall be made in one lump sum no later than 30 days after proof of the covered person's death has been furnished to us.

## **Conformity with State Statutes**

If the provisions of this certificate do not conform with the laws of the state in which you reside on the certificate effective date, they are hereby amended to conform with the minimum requirements of the statutes of that state.

## **Policy Management**

Efficient management of the policy requires the joint efforts of the policyholder, Florida Combined Life, and each covered person. Each party has certain duties to bring about the effective administration of the policy.

***Duties of the Policyholder:*** The policyholder's primary duties under the policy are listed below.

1. Give us prompt, written notice of any change in business of the policyholder and employer. This includes, but is not limited to: (a) the type of business; (b) addition or deletion of an associated company; or (c) financial status due to bankruptcy; merger; acquisition; or dissolution.
2. Give us pertinent records for all covered persons. This includes, but is not limited to: (a) hire dates; (b) eligibility dates; (c) salaries; (d) occupations; and (e) birth dates. Give us updates of such records as needed.
3. Give us prompt notice of a covered person's disability. This notice should be given as soon as possible after the date of injury or start of sickness. The most effective time for such notice is when the covered person has not been able to perform active work for 30 days.
4. Give us occupational data for all disabled covered persons. This includes, but is not limited to: (a) job descriptions and analyses; and (b) environmental factors.

***Duties of Covered Persons and Beneficiaries:*** Your and your beneficiary's primary duties under the policy are listed below:

1. Give notice and proof of loss as soon as possible after the date of your injury or sickness, or the date of your death, or the death of a covered dependent, if applicable.
2. Give a complete account of the details of your injury or sickness or the death on a form approved by us.
3. Provide any other official documents to review the loss such as a certified death certificate, investigating officer's report, or medical records.
4. Allow release of medical and income data needed to adjudicate your claim.
5. Provide evidence of the regular care of a physician, if necessary.
6. Promptly report to us any changes in your status such as your address or telephone number, or if you return to work or are no longer disabled.
7. If benefits are overpaid, reimburse such overpayment within 60 days of the date benefits were overpaid.
8. Provide proof of your earnings for the period prior to a loss.

Warning: Any person who knowingly, and with intent to injure, defraud, or deceive any insurer, files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree.

It takes effect on January 1, 2016, and expires at the same time as the policy or certificate.

For Voluntary AD&D, you and any dependents covered under the Voluntary AD&D benefit are covered persons under this rider.

### **Coma Benefit**

If as a result of a covered accident, a covered person is injured, we will pay a benefit if the covered person becomes comatose within 31 days of the accident, and remains comatose beyond the elimination period.

Covered person will be considered "Comatose" or in a "Coma", if covered person is in a profound stupor or state of complete and total unconsciousness, as the result of an accident.

The "Elimination Period" is the 31-day period from the day the covered person becomes comatose.

We will pay this benefit from the end of the elimination period, based upon the covered person's full Voluntary AD&D benefit amount, at the rate of 5% of the full benefit amount per month or 5% of the difference between the full benefit amount and the amount of any benefits paid for loss arising out of the same accident, whichever is less. We will cease payment on the earliest of:

1. the end of the month in which the covered person dies;
2. the end of the 11th month for which this benefit is payable; or
3. the end of the month in which the covered person recovers from the coma.

Monthly coma benefit payments will be payable to the covered person's legal guardian, or in the event no legal guardian is appointed, to the person who in our opinion is responsible for the covered person's care. In the event of the covered person's death, any Accidental Death benefits payable will be paid to the covered person's beneficiary.

If the covered person dies as a result of the covered accident while the monthly Coma Benefit is payable, benefits will be paid under the policy for Accidental Death; however, in no event shall the total amount paid for all benefits exceed the covered person's full AD&D benefit amount.

If the covered person remains comatose after this Coma Benefit is payable for 11 straight months, benefits will be paid under the policy for Accidental Death; however, in no event shall the total amount paid for all benefits exceed the covered person's full Voluntary AD&D benefit amount.
