TO: All Potential Respondents
RFB 1808 Lease of 2018 Track Excavator

FROM: Sherry Wooten, Procurement Specialist

SUBJECT: Response to Questions

QUESTION: Deere and most manufactures suggest 32” tack pads for Florida Soils, you requested 28” track pads. We have those but I’m not sure it’s in your best interest.

ANSWER: The District will accept tracks from 28 inches to 32 inches as long as the machine width is 10 feet or less.

QUESTION: On item 3.2.1.1.4, #32, do you want the price of the thumb included in the bid or separate, as it says optional?

ANSWER: Yes, the cost for the hydraulic thumb attachment must be included in the annual lease price. Our intention is to lease the machine with all additional equipment features identified in 3.2.1.1.4.
