## QUESTIONS AND RESPONSES

### 1. Can I get a past bid tabulation for Debris Removal Services?

The District has not issued Requests for Bids for Debris Removal Services in the past, so a bid tabulation is unavailable. Previously, Requests for Qualifications were issued, under which vendors would qualify.

### 2. Are pgs. 29 and 30 part of attachment 6? They don't seem to make sense in their current placement in the RFB.

Pages 29 and 30 were included in the RFB by accident and are not a part of Attachment 6. Please remove and discard pages 29 and 30.

### 3. Please confirm that attachments 9-12 are post award documentation and are not to be signed and submitted with the proposal.

Attachments 9-12 are post award documentation and do not need to be submitted with your bid response. See Section 4.1.4.1 and Attachment 1 for bid documents and attachments that should be submitted with your bid response.
