ITN 1914 Group Vision Insurance

FROM: Georgia Hudson, Senior Procurement Specialist

SUBJECT: Response to Questions

QUESTION: Please advise if you are able to provide claims history for your current vision plan.

ANSWER: Attachment 7 – Vision Providers Disruption Report includes claims paid between January 1, 2018 and April 1, 2019 for the current vision plan.

QUESTION: Are you able to provide claims by month instead of by provider? We would like the claims report to include the following information:

- Subs per month
- Premium
- Month
- Claims

ANSWER: See the attached Claims Experience and Utilization Summary document; editable version (Microsoft Excel™) also available on the District’s websites.

QUESTION: Is it possible for you to provide the password to the Adobe PDF document of the solicitation or provide a Microsoft Word format of the solicitation document?

ANSWER: It is not the District’s standard practice to provide an editable version or the password to the solicitation document to protect the integrity of the document from changes being made to the language/requirements that may result in a Respondent’s response being rejected. The Cover Sheet fields are fillable and editable (Microsoft Word™) documents of Exhibit 1 – Vision Insurance Response Form and Exhibit II – Questionnaire have been provided. In addition, some Attachments have been provided in Microsoft Excel™ format so that you may sort the data if needed.
