SUBJECT: Response to Questions

1) QUESTION: Follow up to RFI Response to Questions #2. Dated. April 07, 2021. "Refer to Figure 1, Sheet G001, Scope of Work. Comment from Utility contractor is "...realize that the Fire Code he quoted is for "Fire Alarms", not for service mains and supply. Without knowing where the main is in the street, or line size, or where to put the backflow or the building riser, there is nothing to bid." Please provide Fire water line information to provide for a new wet pipe fire sprinkler system.

ANSWER: Please refer to Figure 2, A Total Solutions, Inc. (ATS) Installation of Fire Sprinkler System Plans.
