**TO:** All Potential Respondents  
RFB 2120 Weeki Wachee River Channel Restoration Project

**FROM:** Rachelle Jones, Senior Procurement Specialist

**SUBJECT:** Response to Questions

**QUESTION:** Can we use our team to video the waterside structures for this project or does it have to be a third-party videographer?

**ANSWER:** Video recording quality must be in accordance with Section 01320 of the Technical Specifications. The video work may be performed by the Contractor provided it meets the requirements of the specification.

**QUESTION:** For Aerial photos / videos, can a drone be used to capture those images? If so, does it have to be done by a third party or if we hold drone licensing, can we do it?

**ANSWER:** The use of drones is not allowed at this project.
