1. Please note, Vendor shall submit Product Data/Specification Sheets with the completed Request for Quote Form for each camera model and accessory being quoted as part of this RFQ.

II. QUESTIONS AND ANSWERS

1. **Question:** **Can the FPS requirement for License Plate Cameras be lowered from sixty (60) FPS to thirty (30) FPS?**

Answer: No, the District requires that the specifications for a License Plate Camera remain:  
  
5mm (max) – 94mm (min) 2MP or better, motorized zoom, IP and POE (no LPR required, recognition not necessary), IP67 or better, 60 FPS @ 2MP resolution or better, IR illuminated (min 100m range), Slow shutter supported.

2. **Question:** **Can Genetec be added to the Acceptable Brands list included in the RFQ?**

Answer: No, the District declines to add Genetec to the Acceptable Brands list. The Acceptable Brands list remains unchanged.

Acceptable Brands include the following:

- Hanwha Techwin (Samsung)
- Bosch
- Digital Watchdog
- Speco
- Axis Communications
- Honeywell
- Pelco
- Avigilon
